

Discussion/Reflection Questions for “Deserve’s Got Nothing To Do With It”
25th Sunday Ordinary Time Year A

1. What are some ways that God doesn’t make any sense at all?
2. Can you think of someone who we would think “deserves” to go to heaven? What makes them so deserving?
3. Did Mother Teresa get into heaven because she was such a good woman? Or did she need something else?
4. There are lots of people that maybe aren’t as good as we are, and we might judge them, get angry with them, look down on them. If we realize that NONE of us DESERVES the good things in life, how will we see these other people who maybe aren’t as good as we are?
5. How can we get into heaven if no one deserves to go there, if we have to be AS GOOD AS JESUS to DESERVE to go to heaven? What did Jesus say we needed?
